FANCY WINS VENUS STAKES.

ADRIANA, HER STABLE COMPANION, IS SECOND; HALF SOVEREIGN THIRD.

Keep Moving Rears at Post and Falls Upon E. Dugan—Roseben Wins Sprint—Steeplechase to Essex II.

New York, July 17.—The Whitney stable scored a double triumph in the Venus Stakes with Fancy and Adriana running into first and second places at the end of an exciting five and a half furlongs struggle at Brighton Beach this afternoon. During the early stages neither of the pair appeared to have a chance. Kaleidoscopic changes, however, took place in the stretch and Fancy and Adriana got up at the end in a bewildering display of speed. The finish between the first three was very close and so sudden and unexpected were the changes rung in on the spectators that not one in a thousand could have named the winner, much less the second horse. Fancy and Adriana coupled were favorites at 2 to 1, receding from the opening of 6 to 5, owing to the tremendous backing that developed for Keep Moving. The Hitchcock filly behaved badly at the post and fell on her rider, E. Dugan. It was at first reported that the boy was disabled. He pluckily remounted, but she did not cut an important figure in the contest. The time, 1:06 1/2, was considered fast.

The tabular history of the Venus Stakes follows:
Year. Winner. Wt. Jockey. Val. Time.
1900 Sweet Lavender. 119 Littlefield. \$2,200 1:07 1/2
1901 Gaudine. 107 Shaw. 2,225 1:00 1/2
1902 Gravina. 99 L. Jackson. 2,225 1:00 1/2
1903 Iroquois Belle. 99 Wilkerson. 6,590 1:01 1/2
1904 Tradition. 124 Hildebrand. 5,850 1:01
1905 Cousin Eva. 105 T. Burns. 5,850 1:00
1906 Menthia. 107 Radtke. 5,850 1:07 1/2
1907 Fancy. 107 Garner. 5,850 1:06 1/2
At five-eighths mile between 1901 and 1904 inclusive.

Despite his enormous burden of 147 pounds the wonderful Roseben ruled the favorite in the first race. Only nine of the original nineteen accepted the issue, and they might as well have dodged today's meeting with the mighty sprinter for all the contention they furnished for first place. It was Roseben by himself all the way, as he led from the first stride to the last without ever being fully extended. Smoker injected a little interest into the running by his brilliant flight of speed. He was the runner-up throughout.

The jumping race was a thrilling affair from first to last. For two miles the entire field ran so closely bunched that those behind the first three or four were unable to see the obstacles until they were right on top of them. Bayonet, the favorite, came to grief because he was so closely and completely hemmed in that he could not see to take off at the seventh jump on the backstretch and fell, throwing his rider heavily. It was thought that Stone was seriously injured, he lay so still for quite a while, but he came to with a few scratches and a bruised face. The half-bred Essex II., at 15 to 1, scored a sensational victory over Callar and Dr. Keith, both at long prices in the betting. The layers were practically left with clean sheets when Jimmy Lane, the second choice, bled and pulled up a half mile from the finish.

E. Dugan's exercise of skill aided Lancastrian, which carried a lot of money, to victory in the mile and a quarter selling race. Reidmoore, the favorite, was unlucky in beating the barrier. It forced him to make the running until Miller, taking him back at the wrong time, caused him to be immediately surrounded and put out of commission. Miller had an easy task to pilot Estimate at odds-on to victory in the fifth. J. A. Bennet made a big clean-up with Amundsen in the last race because Miller took a nap on the favorite Scalloped during the last furlong of the stretch.

The weather was insufferably hot, yet fully 20,000 persons were present. Three favorites, a third choice and two extreme outsiders accounted for the excellent card of six races.

Starter Richard Dwyer was at Brighton this afternoon. He will resume work at Fort Erie next Monday. C. J. Casey, trainer for C. T. Henshall, arrived today from Seattle.

TO HOLD THE STARTER RESPONSIBLE.

New York, July 17.—The stewards of the Jockey Club have been discussing the agitation for a change in the system of starting, and it is said that they have come to the conclusion that it is best that a rule be adopted which will permit the starter to use either the flat-footed or walk-up system, and hold him responsible for the starts. It is not expected, however, that the change will be made this year.

ANOTHER CASE OF MARKERS.

New York, July 17.—Another case of unauthorized betting by markers came to light at Brighton Beach today. Tony Brown, who is in the employ of Hugh Collins, a clubhouse commissioner, had bet \$15,000 in markers in Collins' name and without his knowledge. An investigation by Ring Superintendent Cavanagh brought the matter out. Collins says he will settle.

CAVE ADSUM'S GOOD DERBY TRIAL.

Runs a Mile in 1:39 in Fourth Race at Buffalo—Coup with Gold Note.

Buffalo, N. Y., July 17.—W. Jennings' Cave Adsum had his final trial for the Canadian Derby, to be run at Fort Erie Monday, when he won the fourth race at Kenilworth this afternoon in handsome fashion and ran the mile in 1:39, after being kicked in the side by George S. Davis while at the post and outrun by him the first three-quarters of the mile. Cave Adsum came through the last quarter with a great burst of speed and had a lead of three lengths as the winning line was passed. In the Canadian Derby Cave Adsum has a big pull in the weights over Ellicott and may prove troublesome to Madigan's crack.

In all of the seven races the entries were numerous enough, but when owners got through declaring out, all but the first and third races were scratched to pieces. The only close finish of the afternoon came with the running of the first race, which went to Dr. J. F. Aitken. He beat Rectortown out a neck after a hard drive. Dr. J. F. Aitken was purchased by his present owner a few days ago from the Haymans and has been schooled through the field with the idea of making a steeplechaser of him. Today's jumping race was ruined by withdrawals and was little better than a farce.

The Canadians cut loose a good thing in the fifth race in Gold Note and got the money. Gold Note was backed from 6 to 3 to 1 and while the horses were at the post the money was still going on. McDaniel managed to get Gold Note off in front and he led all the way, winning in a canter by three lengths.

It was a big day for the colored riders, Lee winning two races and Lyeurgus and J. Murphy one each. Jockey Nicol was fined \$50 by the starter for disobedience at the post in the first race.

M. Harris has wired jockey H. Alex to return to New York and the boy will leave on Friday. Mr. Buck, who rode in England and on the northern circuit last year as a gentleman rider, will have his first mount as a professional in this country tomorrow in the first race on Shilham. Jockeys Foley, Farrow, J. Kelly, L. Kunz and D. Riley arrived here this morning.

J. H. Morris was in the stewards' stand today for the first time in over a week. Mr. Morris' absence was enforced. He has been suffering from a sore throat.

James Meagher will ship his jumper Bonfire to Montreal next week to rest up. W. Selleck and L. A. Bonsack will ship their horses also. In all about three carloads of horses will leave here for Blue Bonnets next week.

Edward Manley today purchased Cobleskill from D. Schwartz for \$400.

NO REQUEST FOR DATES WAS MADE.

Empire City Association's Letter to Jockey Club Merely a Notification.

New York, July 17.—It was learned today that the Empire City Club has not made application for dates. The letter received by the Jockey Club did not request anything. According to an authentic source, the letter was merely to the effect that a license had been granted by the State Racing Commission and announced the intention of the Empire City Association to hold a meeting. Hence, there was nothing upon which the Jockey Club could act. Had there been, it is probable that some action would have been taken at the meeting yesterday. As one of the officials stated, "the letter contained nothing tangible. It simply asked nothing."

There is no question that the Jockey Club would consider the matter, if it were put up to the organization in a proper manner, as there are many things to consider in connection with a race meeting which have to be thoroughly understood.

J. Russell Soley, counsel for the Empire City Association through all the litigation in the matter, says the enforcement of the Jockey Club rules concerning unrecognized meetings would mean a boycott, and the Empire City Association would find ready relief in the state law.

He further contends that the Jockey Club would be liable under the laws covering boycotts to become entangled in innumerable individual suits for damages if horsemen who may be outlawed bring suit. The liability of the stewards and members of the Jockey Club is limited, but, it is said, that the members individually would be liable for prosecution for conspiracy should the plan decided on by the stewards be carried out.

BURNS BUYS TWO JUMPERS.

New York, July 17.—William Hollar, acting for T. Burns, a Canadian racing man, has purchased from J. E. Widener the two steeplechasers, The Doctor and Realm. Hollar will take the horses to the northern circuit after the Brighton meeting, and believes they will prove distinctly useful at Montreal, where there will be a steeplechase each day during the autumn meeting.

FORFEITS AGAINST REACTION.

Buffalo, N. Y., July 17.—Reaction, a five-year-old maiden gelding by Blue Devil—Jubilant, was scratched out of the first race at Kenilworth today by order of the Jockey Club. It was found that there are \$1,750 in forfeits standing against the horse. Reaction is reported to have worked three-quarters of a mile a few days ago with 130 pounds up in 1:14 1/2.

Dr. J. F. Aitken, off forwardly and on the outside of the leaders all the way, finished fast under punishment, fought it out gamely with George Swain and, after shaking the latter off, had enough left to stall off Rectortown's challenge. The latter, well up all the way, finished with a great burst of speed and was catching the winner at every stride. George Swain fired in the final drive and swerved in front of Lamptrimmer at the furlong post. The latter showed speed, but tired. The winner was entered for \$400; no bid.

Scratched—55177 Destroyer, 108; 64344 Reaction, 108.

Dunbeath ran under restraint for the first time around, went to the front with a rush after taking the tenth jump and drew far away. C. W. Burt broke from the outside and went around with a rush, opened a winning lead on the far turn and was well in hand all of the last quarter. Merrimac outbroke the others and was a prominent contender all the way, but was tiring under punishment at the end. King Folly broke slowly and had to weave his way through while rounding the far turn, but finished fast, is a good looking colt and is improving with racing. Green Dale showed speed to the stretch, but was tiring at the end. Jennie's Beau closed a big gap from a bad send-off. Antoine showed speed.

ANSWERS TO QUERIES.

[Communications without names and addresses of senders will not be answered or noticed.]

E. McL., Chicago. Johnson rode Sister Linda when she won the Quickest Stakes at Washington Park in 1890.

H. M. R., Chicago. The straight bet on Arimo in race 70065 lost, but the place bet was a draw, there being no separate place betting against him.

NOTES OF THE TURF.

Jockey Wiley was indefinitely suspended at Butte, Mont., Monday, for a suspicious looking ride on Dick Shanley.

Banker came out of his last races at Brighton Beach so lame that Albert Stokes has, it is said, decided to reserve him for the races on the grass at Sheepshead Bay in September.
